

Happy – keyboard worksheet

"Happy" is a song written, produced, and performed by American singer [Pharrell Williams](#), released as the first and only single from the [soundtrack album](#) for the film [Despicable Me 2](#) (2013).

Playalong Info

The backing track provided has sections where you will play the chords and where you will play a simplified vocal melody.

The Verse Section 1 is the verse and here you play an E major chord.

This chord is;

E G# B

Play this chord with one hand and practise getting a good sound.

When the sound is nice and clear try playing the chord to this rhythm played by the keyboard in the background. The rhythm of the chords is like saying the following sentence.

I – LIKE – ICE – IN COCACOLA

When you play this to the backing track you will notice there is a recorded guitar part playing the part Pharrell Williams sings. Practise playing your chord with keyboard part in the background and try to stay in time.

The Chorus Section 2 is the chorus and here you play a melody.

A melody is where you only play a single note at any one time.

On the recording there is a guitar also playing the same melody so you can follow along.

The notes are played on the B and the top E string and are as follows.

EEE F# DD

EE EEE E

B D E

The Bridge - Section 3 is the bridge and here you play a melody.

A melody in UNISON with the keyboard. This means you play the same thing as another instrument. The guitar is also playing the same melody so you can follow along.

The notes are played on the top E string and are as follows.

BB AA GG F#F#

This section repeats 8 times and then you return to the chorus for one final play.
