

Smoke On The Water (Beginner Tutorial)

Today's session is going to focus on the Smoke on the water by the band Deep Purple. Deep Purple were a Blues Rock group from the late 60's. Smoke on the water was one of their most famous songs. Below is a link to the original:

<https://www.youtube.com/watch?v=ikGyZh0VbPQ>

Have listen to the song and listen to the rhythms as carefully as a you can.

Today we are going to be learning the main riff from the song. The term Riff means a repeated pattern in music, usually played by the guitar or bass in a band. This Riff is played using the D and G strings on the guitar.

Here is a link to the tutorial that you will need to learn then song. Have fun and Enjoy!
