

What I like doing...

Spending time with my friends and family

Swimming

Being in nature

Playing the piano

What I want to get better at...

Doing more exercise

Remembering things

Drawing

People describe me as...

Friendly

Kind

Positive

A good listener

My job...

I am an 'Educational Psychologist' (sometimes called an EP). You can call me Sarah.

I work with lots of children in schools to find out about their likes/dislikes, what they are good at and what they might need some help with. I try to find ways to help.

I might also work with teachers, parents/carers and other professionals, so everyone knows what is important for the child.

Sarah

What we might do together...

Talk about your likes and dislikes.

Play some games or draw some pictures.

I might ask you some questions.

Complete some tasks or activities.

What happens next?

It's completely up to you!

If you don't want to meet with me or work with me, you don't have to. We will only do what you are comfortable with.

If you have any questions, I will do my best to answer them when we meet.

If you are happy to meet me, your teacher will arrange a time and place for us to meet.

I look forward to meeting you!
