FOREWORD

One Education Governor Support recognises the importance of high-quality training to help governors and trustees keep up with current standards and meet the changing demands of the educational landscape.

Our experts have developed a programme of training and CPD to support strong and effective governance. This brochure contains all the details of training on offer and the timetable for the current academic year.

These sessions will provide greater insight into the key functions of governing boards, governors' roles and responsibilities, plus emerging topics and trends. All training is linked to the expectations set out by the latest guidance and legislation.

The programme is delivered virtually, with plenty of opportunities for interaction. On completion, attendees will receive training certificates that can be used to evidence governor self-development.
