Learning new things

Taking time to rest and read

- I work with children and young people like you to find out what they are good at and what they find hard.
- I use this information to work with lots of different people to try and make the change that you would like to see.
- Together we may chat, read, write or play a game!

- If you do not want to meet with me or do any work together, you do not have to. We will only meet or do as much as you would like to.
- If you have any questions, you can write them down or ask someone to write them down for you and I will try my best to answer them.

I look forward to meeting you soon 😊
