

Pippa's One Page Profile

Hi there!

My name is Pippa and I am an Educational Psychologist (EP).

This one page profile explains a bit about who I am and what might happen when I visit you.

What does an Educational Psychologist (EP) do?

I work with lots of different children, families and schools. I help children and young people think about what they are good at, where they might feel stuck and what we can do to help them feel happier and more successful in school and at home.

What might happen when we meet?

We might:

- talk about what you like or dislike
- draw together
- do a card sort activity
- play some games
- do some puzzles or activities linked to your learning

A bit about me

People describe me as:

- creative
- kind
- helpful
- thoughtful
- funny

I love:

- animals 
- art 
- music 
- walks with my friends
- taking pictures

I want to get better at:

- running 
- reading more 
- going to bed on time! 

What if I'm not sure about meeting?

I will always listen to what you feel ok to do. If you do not want to meet with me or do certain activities with me you don't have to. We can also take breaks whenever you need.

Any questions?

If you have any questions about meeting me, please ask the person who gave you this to write them down. I will try my best to answer all of your questions when we meet.

I look forward to meeting you soon!
